Dimensions H 130 cm | Ø 23 cm

Description

The Foscarini Havana Sospensione Pendant Lamp provides for a diffuse light distribution. It natural shape, the warm material of the diffuser and the softly radiated light make it an easily applicable lamp. The volume of the Havana Sospensione seems to be large but in fact it is more reduced than it appears. The diffuser out of polyethylene is available in creamy-white. Foscarini offers the Havana also in a wall as well as in a floor lamp version.
