Description

The Foscarini Chouchin 1 is one of the three Chouchin lights that the designer lonna Vautrin designed and Foscarini has launched for the first time in 2011. The orange diffuser is made of blown glass and the light emits directly down from it. The supplied cable and the corresponding rope suspension can help to a maximum overall suspension of 340 cm for the light. In deeper areas, the cable can be shortened as required.

Besides Chouchin 1 there are also offered two other Chouchin lights. The Chouchin 2 is green and has a more elongated diffuser. The Chouchin 3 is however held by the same form of Chouchin 1, small and grey. This one is the version of the Chouchin 1 with an included exchangeable LED retrofit.
