The Foscarini Aplomb was designed in 2010 by the team Lucidi & Pevere. This version has an elongated multi-canopy (ceiling part) with a length of 90 cm. Multiple pendant lights can be hung from the canopy, and they can even pushed on this canopy back and forth anytime.

There are offered three surfaces for this lamp. As the number of the suspended lamps can be varied as desired, the Aplomb with multiple canopy is also suitable for illuminating larger tables or benches.
