36

material

polyethylene

dimming

cord dimmer

socket/light fixture

E27

Power (max. Watt)

85 Watt

Dimensions

H 100 cm | Ø 36 cm

Description

The Drop 4 designed by Next is a floor lamp out of the Liquid Light series. The design is an aesthetic symbiosis of light and water. Its shape evokes a drop rising out of the ground. The Drop 4 radiates a soft light and it is an eye-catcher to every room. Due to a cord dimmer the atmosphere can be designed individually. There is one smaller table lamp available as well.
