<b>Scope of delivery</b>	Leuchtmittel/Bulb
<b>voltage suitability</b>	110 - 240 Volt
<b>material</b>	aluminum, crystal glass, glass
<b>dimming</b>	dimnable on site

### Description

This Serien Lighting Annex Halogen ceiling light has a clear, hand-blown glass shade and a reflector made of crystal glass. The light is emitted directly downwards and through the reflector upwards and to the side. The reflector inside the clear shade creates a decorative lighting effect on the ceiling around the lamp.

The Annex Ceiling Halogen is offered in three sizes: Small with 14 cm diameter, Medium with 22 cm diameter and Large with 27.5 cm diameter. Depending on the size, the lamp has different sockets for halogen bulbs. If dimmable lamps are used, the lamp is also dimmable.

In addition to this ceiling lamp, lamps with other reflectors from the Annex series are also available. These have a different light distribution. In addition, the Annex Ceiling is also available with an integrated LED.
