### Description

The lamp arms of the Serien Lighting Poppy Floor 5 arms are made of aluminum and covered with fabric. The arms are available in black or beige. The lamp shades of the floor lamp are made of mouth-blown glass and are available in black violet, ruby red or ceramic.

The lamp base of the Serien Lighting Poppy Floor floor lamp consists of steel and is available lacquered in black or cream. The slats of the lamp shades are made of bimetal and expand as soon as the lamp is switched on. Through this, they imitate the appearance of opening flower buds.
