## Description

The Luceplan Compendium Suspension emits direct, glare-free light downwards. It is offered in the surfaces aluminium, black and brass. The colour temperatures 2,700 extra warm white and 3,000 warm white are offered. The pendant light can be dimmed by the customer using a trailing-edge phase dimmer. DALI or Push dimmable versions are also available on request. Daniel Rybakken developed the Compendium pendant lamp in 2014.
