## Description

The Oluce Lyndon 450 pendant lamp has a chrome-plated metal lamp mounting with four transparent glass shades attached. Each glass shade contains a E27 high-voltage halogen lamp with a maximum power of 100 watts. The light of the pendant light is distributed diffusely in the room. The lamp itself is 135 cm high, the entire pendulum length is 206 cm. The light is on site dimmable. The Lyndon light series was created in 1977 by the designer Vico Magistretti. This pendant lamp was reissued for the 40th anniversary of the series, it is the only interior light from this series.
