<b>switchability</b>	On the wall bracket
<b>Power (max. Watt)</b>	10 Watt
<b>Shade diameter</b>	14 cm
<b>Shade height</b>	16 cm
<b>light distribution</b>	directly
<b>Wall mount dimensions</b>	10 cm

### Description

The Anglepoise Original 1227 Brass Wall Light has brass elements. The upper part of the lamp shade and the fittings of this wall lamp are made of brass. The lamp shade can be rotated and tilted, allowing the light distribution to be individually adjusted. Both the lamp shade, the fixed lamp arm and the wall bracket are made of steel. This wall lamp is available in jet black, ink blue and elephant grey. The wall bracket has the matching surface to the lamp shade. A cable protrudes from the shade and ends in the wall bracket. An on/off switch is integrated at the lower end of the wall bracket. This wall light can be operated with LED retrofit lamps or compact fluorescent lamps.
