Description

The Anglepoise Type 75 Mini Wall Light has a tiltable and rotatable lamp shade so that the light distribution can be modified at any time. The lamp shade has a diameter of 14 cm and a height of 15 cm. The lamp arm, lamp shade and wall bracket are all made of aluminum. The wall lamp is available in alpine white, slate grey and jet black. The Type 75 Mini Wall Light is offered with direct wall mounting and with plug lead. In the version with direct wall mounting, the switch is on the wall bracket; in the version with plug lead, it is on the lead. LED retrofit or compact fluorescent lamps are suitable as light sources.
