Description

The Nyta Multiple with 5 Tilt pendant lamp consists of three Tilt, two Tilt S and one canopy. The scope of delivery includes

- a white Tilt with white cable
- a black Tilt with light green cable
- a grey Tilt with grey cable
- a black Tilt S with black cable
- a white Tilt S with red cable
- a black canopy.

The shades of the 5 lamps can be tilted by a maximum of 110 degrees and rotated untel 360 degrees respectively. All lamp shades are made of matt lacquered aluminum. The canopy is made of coated aluminium, it is 2.5 cm high and has a diameter of 75 cm. The canopy is fixed to the ceiling with a bracket made of galvanised steel. A cover hides the connections. The textile cables are each up to 300 cm long. The five lights can be hung at different heights. On request, the pendant lamp is also available with a different combination of Tilt, Tilt S and Tilt Globe lamps. The shade colours white, black and grey as well as the canopy in black or white are offered. The cable colours white, black, grey, red, light green and light blue are on request available. The pendant light can be operated with LED retrofit lamps or halogen lamps.
