| Color temperature in Kelvin | 2,700 extra warm white |
| light distribution | directly |
| Dimensions | H 39 cm Ø 24 cm |

Description

The Foscarini Satellight Tavolo is a table lamp consisting of two elements in hand-blown glass. In a transparent glass cone as lamp body a white glossy, spherical diffuser is positioned. The diffuser contains an LED light source that emits both downward light and glare-free ambient light. Thanks to its satinised surface, the diffuser appears illuminated even when the lamp is switched off. This table lamp has a touch dimmer on the supply line.
