Description

The Escale Studio ceiling lamp has a 110 cm long lamp made of white glass. Four LEDs, each with a colour temperature of 2,700 Kelvin extra warm white, are integrated in a row in the lamp. All LEDs emit their light with a beam angle of 35 degrees glare-free downwards. The Studio ceiling lamp is available in two versions: on site dimmable with a leading and trailing edge phase dimmer or with Casambi module. The version with Casambi module is dimmed with the Casambi App via Bluetooth by Smartphone / Tablet.
