Description

The Vita 6 100cm ceiling light emits its light directly downwards and, depending on the shade colour, also through the shade to the side. A white chintz base provides a homogeneously illuminated surface and conceals the lamps. This Vita 6 has a diameter of 100 cm and a height of 18 cm. It is available in the shade colours sand, white, champagne, light grey, slate, wave optics white, silver leaf and gold leaf. The ceiling lamp can be operated with both halogen lamps and LED retrofits.
