

Secto Design

Octo Small 4241 white

Technical details

Country of Manufacture	 Finland
Manufacturer	Secto Design
Designer	Seppo Koho
Year of design	2019
protection	IP20
Scope of delivery	LED 230 Volt
voltage suitability	110 - 240 Volt
Diameter in cm	45
material	wood
surface	white
cable color	white
cable length	150 cm
height adjustment	height determinable
dimming	on site dimmable with a trailing edge dimmer
socket/light fixture	E27
Power (max. Watt)	20 Watt
Wattage	5.4 W
LED	inclusive
version	-
bulb exchange	on site itself
Dimensions	H 55 cm Ø 45 cm

Description

The Secto Design Octo Small 4241 pendant lamp is handcrafted from Finnish birch wood. It emits light mainly through the opening at the lower end of the lamp shade. At the same time, part of the light passes between the wooden slats of the shade. The Octo Small 4241 has a diameter of 45 cm and a height of 55 cm. It is available with white or black laminated surfaces, in natural birch or with walnut veneer. Here it is offered in white. The pendant lamp is operated with an LED retrofit. The supplied cable has a standard length of 150 cm. All versions except the black one have a white cable and canopy, the black version has a black cable and canopy.
