<b>material</b>	aluminum, steel
<b>height adjustment</b>	height determinable
<b>switchability</b>	on the lead
<b>LED</b>	inclusive
<b>Colour Rendering Index</b>	95
<b>Color temperature in Kelvin</b>	2,800 warm white
<b>system performance</b>	3 x 5.6 Watt
<b>Total luminous flux in lm</b>	1,950
<b>total height</b>	450 cm
<b>Dimensions</b>	H 86 cm   B 10 cm   L 11 cm

### Description

The Cini & Nils Acqua Filo 3 lamps consists of three Acqua lamps, which are suspended together from the ceiling by a cable. The lamp has a counterweight. The lamp is not connected to the ceiling via a power connection, but via a supply line with plug. The Acqua Filo has a switch on the supply line. This pendant lamp is available in white, gold matt and silver matt finishes. On request, it is also offered in silver leaf or gold leaf. The counterweight as well as the ceiling mounting have the matching surface to the lamp. The Acqua Filo is available in two versions: As an uplight, the lamp emits indirect, reflective light. As a downlight, it emits direct light. In addition to this version with three lights, versions with one or two lights are also on offer.
