

IP44.DE

Piek 100 brown, direct plug, 3000 Kelvin

Technical details

Country of Manufacture	 China
Manufacturer	IP44.DE
Designer	Sebastian David Büscher
Year of design	2020
protection	IP65
Scope of delivery	LED
voltage suitability	230 - 240 Volt
material	aluminum, glass, stainless Steel
surface	brown
cable length	500 cm
dimming	dimmable with a trailing edge dimmer and with a leading edge dimmer
Wattage	6 W
LED	inclusive
Luminous flux in lm	310
Color temperature in Kelvin	3,000 warm white
Shade diameter	6 cm
lamps rod length	100 cm
bulb exchange	at the manufacturer / at the factory
Dimensions	H 106 cm

Description

The IP44.de Piek 100 is an outdoor floor lamp with ground spike, which allows it to be repositioned at a new location again and again. This lamp has a total height of 106 cm and its lamp rod a length of 100 cm. Its lamp head can be tilted by 180 degrees. With its IP65 protection rating, this outdoor floor lamp is both dustproof and protected against water jets from any angle. The Piek 100 is operated with a high-efficiency Power LED which can be dimmed on site with a trailing edge phase dimmer. The spotlight-shaped lamp head is made of powder-coated cast aluminum, the lamp rod made of powder-coated stainless steel.

The Piek offered here is in brown and has a colour temperature of 3,000 Kelvin warm white. It is supplied with a protective contact plug and is connected directly to the mains.
