<b>Color temperature in Kelvin</b>	Dim to warm
<b>bulb exchange</b>	on site itself
<b>Dimensions</b>	H 190 cm   B 20 cm   L 20 cm

## Description

The Serien Lighting Reflex2 Floor S is a floor lamp with a filigree frame structure made of aluminum. It is available with a black or white coated finish. This lamp can be regulated with a push button dimmer at the lamp base. The dim to warm function imitates the pleasant dimming behaviour of classic incandescent lamps. The colour temperature changes from 2,200 Kelvin extra warm white to 3,000 Kelvin warm white when dimmed. The cable can be stowed under the lamp base if required.
