Description

The Loom Design Aim Double Spot is a ceiling or wall lamp with two spotlight heads. The two lamp heads can be individually rotated 360 degrees and tilted 90 degrees so that the light can be redirected as needed. The ceiling or wall spotlight has a height as well as a width of 10 cm. The oval ceiling or wall-mounted housing features rounded corners and a length of 21 cm. The lamp is offered in white or black finishes. Each lamp head is operated with an integrated LED with a colour temperature of 2,700 Kelvin extra warm white and a beam angle of 38 degrees. The Aim Double Spot can be dimmed on site.
