### Description

This Bomma Dark & Bright Star chandelier consists of six Large and six Small pendant lamps on a round canopy. Two of the Large and four of the Small lamps are in white, the others in cigar brown. On request, any combination of the glass colours cigar brown and white can also be put together. The white coated canopy has a diameter of 62 cm and a height of 6.2 cm. The white lamps are fitted with a suspension in anthracite, the cigar brown lamps with one in brass brushed.

Each glass is individually made of mouth-blown crystal glass. With traditional glass blowing, there may be small bubbles or irregularities in the glass. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. As each glass is individually hand-finished, colour intensity and tone may vary. Each lamp is operated with a replaceable G4 LED retrofit.

The cables of the pendant lamp can be shortened if required. Dark & Bright Star chandeliers with up to 26 lamps with the available glass colours and suspensions are also offered on request.
