

Domus

Iris Pendant Lamp

Technical details

Country of Manufacture	 Germany
Manufacturer	Domus
Year of design	1997
protection	IP20
Scope of delivery	Leuchtmittel/ Bulb
voltage suitability	110 - 240 Volt
material	Lunopal, Textile, wood
cable color	black
cable length	200 cm
height adjustment	height determinable
dimming	dimmable on site
socket/light fixture	E27
Power (max. Watt)	75 Watt
shade color	white
Shade diameter	26 cm
Shade height	23 cm

Description

The light pendant lamp of the Iris series by Domus presents itself lively and graceful. It consists of nothing but two rounded Lunopal shades, held by a solid wood element made of beech. The semi-circular ends of the element protrude cheerfully from the shade and give the lamp its characteristic appearance. Lunopal is white transparent and gives the impression of fine Japanese paper. The environmentally friendly material is UV-resistant, washable and does not yellow. Whether used in groups over a dining table or suspended low as a lamp over the bed, Iris will inspire any ambience with the atmospheric filtered light of the Lunopal and the simplicity of the design. The black 200 cm long textile cable of this height-adjustable lamp deliberately contrasts with the white lampshade. The pendant lamp Iris has an E27 socket and can be operated with conventional halogen bulbs as well as with LED retrofit bulbs.
