<b>Year of design</b>	2008
<b>protection</b>	IP20
<b>Scope of delivery</b>	Leuchtmittel/Bulb
<b>voltage suitability</b>	110 - 240 Volt
<b>material</b>	aluminum, Lunopal, Textile, wood
<b>dimming</b>	cord dimmer
<b>socket/light fixture</b>	E27
<b>Power (max. Watt)</b>	100 Watt
<b>shade color</b>	white
<b>lamp stand dimensions</b>	63 cm
<b>total height</b>	178 cm

## Description

The Domus Wai Ting floor lamp is offered in three surfaces: White oak, black oak and maron oiled. The rings are made of aluminum. Its lamp shade is made of Lunopal, a high-quality material developed by Domus for its lamp shades. Lunopal is white transparent and reminiscent of fine Japanese paper. It is thermally highly resilient, so that it can withstand temperatures of up to 100°C. This completely environmentally friendly material is UV-resistant, washable and does not yellow. The Wai Ting floor lamp is available with a textile cable in the colours red or anthracite. A foot dimmer is integrated on the textile cable.
