## Description

The Arturo Alvarez Parga 2 PA204 is a pendant lamp with a lamp shade made of Galician granite. This material is natural, sustainable and heat-resistant. The granite chosen for the Parga lamp is compact, of light grey colour and uniformly permeated with black spots and fine grain.

The lamp shade of the Parga 2 PA204 is 24 cm high and has a diameter of 10 cm. When installed, the pendant lamp can be individually suspended in the total height. The Parga 2 PA204 is operated with a dimmable, integrated LED, which is available with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. The pendant lamp emits its light glare-free directly downwards.
