### Description

The Knapstein RIKE ceiling lamp has a total length of 68.4 cm and a width of 35 cm. The height of the oval LED ceiling lamp is 5.5 cm. The light rod of this lamp is 1.8 cm wide and 2.8 cm high. Thanks to its design, the lamp not only emits direct light downwards into the room, but also indirect light onto the ceiling. This creates balanced lighting, the brightness of which can be adjusted as required. The Knapstein RIKE is available in several surfaces.
