

Ingo Maurer Campari Bar

Technical details

País de la Fabricación	 Alemania
fabricante	Ingo Maurer
diseñador	Celentano, Raffaele
año	2013
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
material	porcelana, vidrio
Color del cable	transparente
longitud del cable	200 cm
base/porta lámparas	E27
conmutabilidad	interruptor de cordón
Alimentación (máx. Watt)	60 Watt
Potencia en vatios	5,4 W
Color difusor	rojo
Dimensiones del soporte de la lámpara	longitud 39 cm
Dimensions	H 49 cm

Descripción

The Ingo Maurer Campari Bar is the table lamp in the Campari Light collection. Ten original Campari Soda bottles are combined for an extraordinary ensemble and envelop the room in a fascinating red. In the middle of the bottle is transparent plastic lamp body, which carries the bulbs. Above the ten Campari Soda bottles are placed ice cubes made of glass that break and reflect the light.

As a basis for the Campari Bar is a dish from Colombia collection of Alessi, where the lighting rod was attached. The Campari Bar can be switched via a pull switch, which forms the end of a Campari bottle caps. The ten Campari bottles are all individually removable. The three bowls in the photos are not included, they are just decoration.
