

Byok

Squadra Mono 125

Oberfläche

- Aluminio pulido
- aluminio mate
- Aluminio negro
- satén polvo blanco recubierto

Technical details

País de la Fabricación	 Alemania
fabricante	Byok
diseñador	Kai Byok
protección	IP20
Volumen de suministro	LED
material	aluminio
longitud del cable	250 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio con control de fase inversa
LED	incluyendo
Indice de reproduccion cromatica	90
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
El rendimiento del sistema	8 x 3,6 Watt
Flujo total luminoso en lm	2.448
distribución de la luz	indirectamente
Dimensions	H 4 cm B 9 cm L 125 cm

Descripción

The Byok Squadra Mono 125 is an elongated pendant lamp in a clear design. This creates the characteristic lines. The suspension hooks are attached to one side of the Squadra Mono 125. The filigree steel cables emphasise the puristic look.

The ends of the lamps are closed with matt-transparent and translucent end caps. In this way, the Squadra Mono 125 sets additional light accents when illuminated. The integrated LEDs can be dimmed on site with a trailing edge phase dimmer. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. By using Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white.

The LED lamps are integrated in sockets, so the bulbs can be replaced individually. The Squadra Mono 125 is available in four finishes. Byok also offers two larger lamps from the Squadra Mono series (Squadra Mono 165 and 200).
