## Nastrino Pico wall lamp

### Farbe

- negro
- aluminio

### Technical details

<b>País de la Fabricación</b>	 Alemania
<b>fabricante</b>	Byok
<b>diseñador</b>	Kai Byok
<b>protección</b>	IP20
<b>Volumen de suministro</b>	LED
<b>Proyección en cm</b>	35
<b>material</b>	aluminio
<b>Atenuación</b>	control por movimientos
<b>LED</b>	reemplazado por el profesional
<b>Indice de reproduccion cromatica</b>	90
<b>Temperatura de color en grados Kelvin</b>	Dim to warm
<b>El rendimiento del sistema</b>	2 x 3,6 Watt
<b>Flujo total luminoso en lm</b>	610
<b>distribución de la luz</b>	directamente
<b>Dimensions</b>	H 30 cm

### Descripción

The Byok Nastrino Pico wall lamp is a lamp characterised by its functionality. The light has two LED zones in the upper arm. Thanks to the joint, the wall light can always be adjusted anew and the light can be aligned as desired. The design is very slim, because this lamp consists of simple ground aluminium profiles. These different surfaces are on offer: aluminum matt and black matt. Byok offers this lamp also with a table clamp, an USM adapter and a classic table base. The Pico wall lamp is the smaller one of two lamps out of this series.

The Nastrino Pico wall lamp is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
