

Catellani & Smith

Francesca

Oberfläche

- Pan de oro
- plata de hoja
- cobre
- blanco

Durchmesser in cm

- 80
- 120

Technical details

País de la Fabricación	 Italia
fabricante	Catellani & Smith
diseñador	Enzo Catellani
año	1995
protección	IP20
Volumen de suministro	LED 230 Volt
entrada de tensión	110 - 240 Volt
Proyección en cm	12
material	fibra de vidrio, metal
Atenuación	Regulable en el sitio
base/porta lámparas	E27
LED	incluyendo
reemplazo de la bombilla:	en el sitio mismo
El rendimiento del sistema	8 x 8 Watt
Montaje en pared Dimensiones	12 cm

Descripción

The Catellani & Smith Francesca is a wall lamp with a circular diffuser as a shade. This diffuser is mounted with a ledge of approx. 12 cm to the wall, so that the light of the lamp is emitted onto the wall and reflected from there into the room. This light is available in four different surfaces: gold leaf, copper, white varnished and silver leaf.

It applies for each colour, that the back is held in the same colour as the front side. Only in the white version, the back is held in gold, so for this version one special light effect is created. The wall lamp itself is made of aluminum, the wall mount with the dimensions 12 x 11.5 cm of iron. As bulbs exchangeable LED retrofits are suitable. The Francesca is available in two different sizes: with a diameter of 80 or 120 cm. The lamp is on site dimmable.
