

Oluce

Alba 383

Version

- laton
- bronze

Technical details

País de la Fabricación	 Italia
fabricante	Oluce
diseñador	Mariana Pellegrino Soto
año	2017
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
material	metal, vidrio Opal
Atenuación	cable de dimmer
base/portálámparas	E27
Dimensiones del soporte de la lámpara	longitud 29, anchura 29 cm
El rendimiento del sistema	2 x 60 Watt (max.)
Dimensions	H 172 cm

Descripción

The Oluce Alba 383 is a floor lamp with a total height of 172 cm. A lamp arm with a lamp shade is attached to each of the two sides of the lamp rod. On one side of the rod, the shade is at the top of the arm, on the other side at the bottom of the arm. The shades are made of mouth-blown, polished opal glass. The lamp is offered in satin brass or bronze anodised versions. The lamp rod and arms each have the same surface. The lamp emits its light glare-free into the room. A dimmer is integrated in the supply cable. E27 mains voltage halogen lamps or LED retrofit lamps can be used as light sources.
