Technical details

País de la Fabricación	 Reino Unido
fabricante	Anglepoise
diseñador	George Carwardine
año	2005
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
Diámetro en cm	45
material	aluminio, Textil
longitud del cable	400 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
base/portálámparas	E27
Alimentación (máx. Watt)	60 Watt
Dimensiones del dosel	10 cm, altura de 6 cm
distribución de la luz	directamente
Dimensions	H 47 cm Ø 45 cm

Descripción

The Anglepoise Original 1227 Giant Pendant emits its light directly downwards. The shape of the lamp shade is reminiscent of the Original 1227 lamp, first designed in the 1930s. With a shade diameter of 45 cm, this pendant lamp is significantly larger. The height of the lamp shade is 47 cm. The lamp is available in the surfaces satin jet black, glossy jet black, alpine white, citrus yellow, crimson red, marine blue and slate grey. Except for the satin black surface, all others are glossy. The lamp is also available in special colours on request. The lamp shade is made of aluminum, the canopy is chrome-plated for each version. The cable with a maximum length of 400 cm can be shortened if necessary. The pendant lamp can be dimmed on site and can be operated with a high-voltage halogen lamp or an LED retrofit as light sources.
