Type 75 Mini Lamp with Desk Insert

Oberfläche

- negro
- gris
- blanco

Technical details

País de la Fabricación	 Reino Unido
fabricante	Anglepoise
diseñador	Kenneth Grange
año	2011
protección	IP20
Volumen de suministro	LED 230 Volt
entrada de tensión	110 - 240 Volt
Proyección en cm	55
material	aluminio
longitud del cable	180 cm
base/portalámparas	E27
conmutabilidad	en cabezal de lámpara
Alimentación (máx. Watt)	20 Watt
LED	incluyendo
Diamètre de l'ombre	13 cm
Altura de pantalla	15 cm
reemplazo de la bombilla:	en el sitio mismo
Dimensions	H 42 cm

Descripción

The Anglepoise Type 75 Mini Lamp with Desk Insert is installed into a table. The recessed light has movable light arms, which can be readjusted again and again by tension spring technology. Thanks to this tension spring technology, the table lamp remains in any set position. The lamp shade can be rotated and tilted. Lamp arms and shade are made of aluminum, the desk insert is a steel and aluminum construction. This recessed lamp is available in slate grey, jet black and alpine white. An on/off switch is integrated on the shade. The table lamp can be operated with LED retrofit lamps or compact fluorescent lamps. A table base in the matching surface is included in the scope of delivery.
