

Vistosi

Damasco SP 6 P

Diffusorfarbe

- ámbar
- claro

Technical details

País de la Fabricación	 Italia
fabricante	Vistosi
diseñador	Paolo Crepax
año	2003
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
entrada de tensión	110 - 240 Volt
material	crista vidriol, metal
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
base/portaámparas	G9
El rendimiento del sistema	6 x 60 Watt (max.)
altura total	200 cm
Dimensions	B 80 cm

Descripción

The Vistosi Damasco SP 6 pendant lamp has a total of six glass diffusers. These are made of mouth-blown crystal glass, around which threads of melted crystal glass are laid by hand. The three metal rods with the glass diffusers can be individually aligned to each other. The light is emitted through the transparent glass diffusers, at the same time a part of the light also passes through the openings at the end. In addition, many reflections are generated on the surface. The Damasco SP 6 is available in the glass diffuser colours crystal clear and amber. The total height is a maximum of 200 cm, the cables of the pendant lamp can be shortened if required.
