Volumen de suministro	Leuchtmittel/ Bulb
entrada de tensión	110 - 240 Volt
Diámetro en cm	60
material	plancha, policarbonato, Textil
Atenuación	Regulable en el sitio
Color difusor	blanco
Dimensions	Ø 60 cm

Descripción

The ceiling lamp Urban PF/60 is produced by the Spanish manufacturer Bover according to the design of Joana Bover. The body of this round ceiling lamp is made of iron and has a diameter of 60 cm. The lamp shade surrounding this ceiling lamp is made of translucent stripes. The white polycarbonate diffuser and the translucent lamp shade allow light to be emitted downwards and also to the sides. This ceiling lamp is available in the shade colours white and cream. The Urban PF/60 is offered as an E27 or as a version with integrated, powerful LED. The E27 version has four E27 sockets and is operated with replaceable LEDs (retrofit). It is 16.5 cm high in total, the LED version 14 cm. The LED version has a colour temperature of 2700 Kelvin extra warm white. In the LED version, the ceiling mounting is visible above the lamp shade.
