### Descripción

The Foscarini Spokes 2 Large MyLight is a pendant lamp with a diameter of 70 cm. Its height is 73 cm. It has a lamp shade made of vertically arranged spokes of round steel tubes. The surfaces white, graphite, black, gold and copper are offered. The two integrated LEDs emit their light both directly downwards and into the room. The electrical supply cable is routed over one of the spokes so that it is not visible from the outside. The 490 cm long cable can be shortened if necessary. On request, the pendant lamp is also available with a longer cable.

The Spokes 2 Large MyLight is regulated and dimmed via Bluetooth with Casambi App by smartphone or tablet (IOS, Android). In this way, it can be regulated in light intensity from 0-100% without the need for new devices, wiring, switches or internet connections. The lamp only needs to be installed and paired with smartphone or tablet via Bluetooth. Additional configurations by qualified personnel are not necessary. The pendant lamp is also offered by Foscarini as a lamp that is non-dimmable or DALI dimmable.
