## Descripción

The Bomma Phenomena Pendant Capsule is an oval pendant lamp with a diameter of 40 cm. Including its suspension, it is 97 cm high. Each glass is mouth-blown in individual production and is therefore unique, so that the colour shade and intensity can vary. During the manufacturing process, clear crystal glass is mixed with coloured glass, so that the glass colour is particularly durable.

This Phenomena pendant lamp is offered in the glass colours mint green and smoke grey. Its suspension is available in silver or gold polished. The cable with a maximum length of 250 cm can be shortened if necessary and is also offered in special lengths on request. The E27 socket of the lamp is operated with a replaceable LED retrofit.
