Descripción

The Bomma Blimp Floor Large is 67,5 cm high in total and has a mouth-blown glass with a diameter of 60 cm. The lamp is offered in the glass colours clear or amber. Its lamp base is made of black matt powdered metal. Each glass is made individually from mouth-blown crystal glass, so small bubbles or irregularities may appear in the glass. The light is distributed homogeneously in all directions through the glass, with the glass grooves creating light reflections on the lamp itself. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as the light source.
