

Bomma

Pebbles Pendant Large Configuration 1-2

Version

- verde
- rojo

Technical details

País de la Fabricación	 Chequia
fabricante	Bomma
diseñador	Boris Klimek
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
Diámetro en cm	30
material	crista vidriol, metal, Textil
Color del cable	negro
longitud del cable	250 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio con control de fase inversa
Potencia en vatios	25,5 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	3.800
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	27 cm
Dimensions	H 118 cm Ø 30 cm

Descripción

The Bomma Pebbles Pendant Large consists of four differently shaped glasses. In this pendant lamp, three of the four glasses are always in the same colour combination. The third glass from the top is offered in the versions red or green. The other glasses have for both versions these colours:

- the top glass is light grey
- the second from the top is black
- the lowest glass is white.

If desired, the four glasses of the lamp can also be arranged in any other order. Each glass is individually made from mouth-blown crystal glass. Any small bubbles or irregularities in the glass may occur during the traditional, handcrafted glassblowing process. During the production process, clear crystal glass is mixed with coloured glass to ensure that the glass colour is particularly durable. As each glass is individually hand-worked, the colour intensity and shade may vary.

The suspension of the pendant lamp is in black matt powdered metal. The cable with a maximum length of 250 cm can be shortened if necessary. On request, the Pebbles Pendant Large is also available with other cable lengths. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as illuminant. The Bomma pendant lamp is available in other colour and shape combinations of the glasses. A lamp with any combination can also be put together on request.
