### Descripción

This Bomma Dark & Bright Star chandelier consists of five Large and four Small pendant lamps on a round canopy. Three of the Large and two of the Small lamps are in white, the others in cigar brown. On request, any combination of the glass colours cigar brown and white can also be put together. The white coated canopy has a diameter of 62 cm and a height of 6.2 cm. The white lamps have a suspension in anthracite, the cigar brown lamps in brass brushed.

Each glass is made individually from mouth-blown crystal glass. With traditional glass blowing, small bubbles or irregularities in the glass may possibly occur. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. Each glass is individually hand-finished so that colour intensity and tone may vary. Each lamp is operated with a replaceable G4 LED retrofit.

The cables of the pendant lamps are a maximum of 250 cm long and can be shortened if necessary. Bomma also offers Dark & Bright Star chandeliers with up to 26 lamps with the offered glass colours and suspensions on request.
