

Bomma

Pebbles Floor Large Configuration 1-2-3

Version

- gris
- verde
- rojo

Technical details

País de la Fabricación	 Chequia
fabricante	Bomma
diseñador	Boris Klimek
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
material	crista vidriol, metal, Textil
Color del cable	negro
longitud del cable	180 cm
Atenuación	Regulable en el sitio con control de fase inversa
Potencia en vatios	25,5 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	3.800
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del soporte de la lámpara	32 cm
Dimensions	H 135 cm

Descripción

This Bomma Pebbles Floor Large consists of four differently shaped glasses. Three of the four glasses are always supplied in the same colour combination for this floor lamp. The third glass from the top is offered in the versions light grey, green or red. The other glasses always have these colours:

- the top glass is light grey
- the second from the top is white
- the lowest glass is black.

If desired, the four glasses of the lamp can also be arranged in a different order on the lamp rod. Each glass is made individually from mouth-blown crystal glass. With traditional glass blowing, small bubbles or irregularities may possibly appear in the glass, these are signs of craftsmanship. During the production process, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly long-lasting. As each glass is processed by hand, the colour intensity and tone can vary.

The lamp base and the lamp rod are powder-coated in matt black. The Pebbles floor lamp is also offered by Bomma in other colour and shape combinations of the glasses. A lamp with any glass combination can also be put together on request.
