Ax-LED Pendant Lamp Vertical

Oberfläche

- níquel brillante
- níquel satinado
- negro

Technical details

País de la Fabricación	 Alemania
fabricante	Steng
diseñador	Peter Steng
diseñador 2	Andreas Steng
año	2012
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
Diámetro en cm	1
material	metal
longitud del cable	300 cm
ajuste de altura	altura determinada
Atenuación	cable de dimmer
Potencia en vatios	18 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	1.500
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensions	H 150 cm Ø 1 cm

Descripción

The Steng Ax-LED Pendant Lamp Vertical is suspended from the ceiling by a cable. There is a counterweight at the bottom of the lamp. The lamp is not connected to the ceiling via a power connection, but via a two-metre long supply cable with plug. A dimmer is integrated on the supply line. The suspension cable has a total length of 300 cm and can be shortened on site if necessary.

The Ax-LED Pendant Lamp Vertical is available in the surfaces satin nickel, glossy nickel and matt black with fine structure. The lamp has a length of 150 cm and is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white. The light is emitted from the lamp homogeneously and glare-free indirectly onto the wall.
