Descripción

The Telled by the German manufacturer Lichtlauf is an outdoor lamp made of stainless steel and aluminium. This slim outdoor floor lamp with IP54 protection has a lampshade with a diameter of 21 cm and a height of 3.2 cm. Due to the absolutely glare-free light emission downwards, the surroundings and the night sky can be experienced. The black light pole of this outdoor lamp is available in heights of 60 cm and 100 cm. The Lichtlauf Telled is available in the shade colours black, red and Corten steel. The light of the three integrated LEDs is characterised by a very good colour rendering with a high colour rendering index of Ra 90. The length of the black connection cable of the Lichtlauf Telled is 100 cm. The included floor junction box is dustproof with IP68 protection and protected against permanent submersion. Other heights and shade colours are available on request.
