

Domus

Tintin 54

Oberfläche

- Roble negro
- Roble blanco

Schirmfarbe

- Palo de rosa
- humo
- crema

Technical details

País de la Fabricación	 Alemania
fabricante	Domus
año	2019
protección	IP20
Volumen de suministro	Leuchtmittel/ Bulb
entrada de tensión	110 - 240 Volt
material	aluminio, madera, Roble, Textil
Atenuación	cable de dimmer
base/portálámparas	E27
Alimentación (máx. Watt)	60 Watt
Diamètre de l'ombre	25 cm
Altura de pantalla	18 cm
Dimensiones del soporte de la lámpara	14 cm
altura total	54 cm

Descripción

The Tintin is a table lamp by Tina Bunyaprasit & Werner Aisslinger for Domus Licht as part of the "Designers Collection by Domus Licht". Two simple lines become one lamp through the rotationally symmetrical shapes of the wooden base and shade. "In the digital age, simple geometric shapes are experiencing a revival - the more complex everyday life becomes, the greater the longing for clear shapes and proportions. The Domus Tintin plays with analogies to archetypal objects such as chess pieces or historical columns", Werner Aisslinger explains the concept. The Tintin 54 by the German manufacturer Domus is available in two finishes, white oak or black oak. For the lampshades, you can choose between the trendy corduroy in the colours cream and rosewood or the simple smoke-coloured lampshade. This table lamp has an E27 socket and can be operated with all standard lamps (halogen, energy-saving lamps or LED). The cylindrical lampshade is 18 cm high and has a diameter of 25 cm. The total height of the Tintin table lamp by Domus is 54 cm. A textile-covered cable functions as the supply line, silver-grey for the surface in white oak, and anthracite for the surface in black oak. A hand dimmer on the supply line of the lamp regulates its brightness.
