

Bover

Nut A/01 Outdoor

Oberfläche

- negro
- gris
- terracota
- blanco

Version

- con interruptor/regulador de pulsacion
- sin interruptor

Technical details

País de la Fabricación	 España
fabricante	Bover
diseñador	Estudi Manel Molina
año	2021
protección	IP65
Volumen de suministro	LED
entrada de tensión	110 - 240 Volt
Proyección en cm	16
material	acero Inoxidable, aluminio, policarbonato
Potencia en vatios	6,3 W
LED	incluyendo
Indice de reproduccion cromatica	90
El flujo luminoso en lm	950
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
cabeza del alumbrado masa	longitud 14 cm, 10 cm
reemplazo de la bombilla:	en el fabricante / en la fabrica
Montaje en pared Dimensiones	altura 8 cm, anchura 3 cm

Descripción

The Bover Nut A/01 Outdoor wall lamp has a lamp head that can be tilted by 180 degrees. The light is emitted from the lamp head downwards, sideways or onto the wall, depending on the set tilt, creating a cone of light on the wall. Thanks to a diffuser made of polycarbonate, the light is always emitted without glare.

The Nut A/01 Outdoor is offered in two versions: with switch/push button dimmer or without switch. In the version with switch/push button dimmer, this is integrated at the back of the lamp head. With it, the light can be switched and dimmed in three brightness levels. Thanks to a memory function, the last brightness level set is saved and automatically set again the next time the lamp is switched on. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white.

The Nut A/01 Outdoor wall lamp is offered in the surfaces white, black, terracotta and light grey. All surfaces are textured. This lamp is also suitable for outdoor use with the protection class IP65, so it is dustproof and protected against water jets from any angle.

The Nut A/01 Outdoor wall lamp has a projection of 15.5 cm. Its lamp head is 13.5 cm long and has a diameter of 10 cm. The wall bracket is 8.2 cm high and has a width of 3 cm. Nut is a collection of discreet lamps that stand out for their ergonomic and striking shape. They are extremely versatile lamps that are easy and intuitive to use.
