

Domus

Stele LED

Oberfläche

- Haya
- roble
- nogal

Technical details

País de la Fabricación	 Alemania
fabricante	Domus
diseñador	Ralf Brüning
año	2007
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
material	acero, Lunopal, madera
Atenuación	Toque atenuadores de luz en el palillo
Potencia en vatios	40 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	4.900
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Color de la pantalla	blanco
altura total	170 cm

Descripción

The Domus Stele LED floor lamp is 170 cm high. It is available in oak, core beech and walnut finishes. Its two-part lamp shade is made of high-quality Lunopal. This white transparent material was developed by the German manufacturer Domus for its lamp shades and is particularly environmentally friendly. It does not yellow and is reminiscent of fine Japanese paper. The steel base has a square shape. This Stele is operated with a powerful LED that has a colour temperature of 2,700 Kelvin extra warm white. On the back of the lamp, there is an integrated push button dimmer.
