

Foscarini

Chapeaux V

Farbe

- gris
- blanco cálido

Technical details

País de la Fabricación	 Italia
fabricante	Foscarini
diseñador	Rodolfo Dordoni
año	2023
Diámetro en cm	29
material	Metall
Color del cable	transparent
longitud del cable	155 cm
Atenuación	Regulador táctil
Potencia en vatios	7,5 W
LED #	inclusive
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	900
Temperatura de color en grados Kelvin	2.700 blanco cálido extra
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
Dimensions	H 47 cm Ø 29 cm

Descripción

The compositional elements of Chapeaux V, the table lamp with direct and diffuse light designed by Rodolfo Dordoni, have been reduced to a minimum. At the centre of the design are three shades - different in shape, material and finish - that rest freely on a central, cylindrical borosilicate glass body open at the ends, which also carries the light source: an opal polycarbonate ampoule that encloses the lighting components and appears to float in the glass. The brushed aluminium bracket attached to the top is a touch dimmer with three light levels that saves the last selection when controlled by a wall switch. In the V version, the shade is made of hand-blown flashed glass with a glossy surface. The light partially flows through the shade and illuminates it from the inside to create a soft atmosphere. In the warm white version, the glass colour is white when switched off and ivory when switched on thanks to an inner layer of glass in a straw yellow shade.
