## Nastrino wall lamp

### Oberfläche

- Matt aluminium
- noir mat

### Technical details

<b>Pays de fabrication</b>	 Allemagne
<b>fabricant</b>	Byok
<b>concepteur</b>	Kai Byok
<b>protection</b>	IP20
<b>Contenu de la livraison</b>	LED
<b>Projection en cm</b>	55
<b>matériel</b>	aluminium
<b>longueur de câble</b>	300 cm
<b>atténuation</b>	controle gestuel
<b>LED</b>	remplacé par des professionnels
<b>Indice de rendu des couleurs</b>	90
<b>La température de couleur en Kelvin</b>	Dim to warm
<b>Les performances du système</b>	2 x 3,6 Watt
<b>Flux lumineux total en LM</b>	610
<b>répartition de la lumière</b>	directement
<b>Dimensions</b>	H 60 cm

### Description

The Byok Nastrino wall lamp is equipped with high-quality LED technics, combined with two dazzle-free light zones, to create the ideal working light. This is underlined by the well designed joint technics. Due to the sophisticated joint technique of the Nastrino family, it can be adjusted in a variety of ways, thus aligning the light exactly there, where it is needed.

The design consists of simple ground aluminium profiles. Different surfaces are on offer: matt aluminum and matt alu black. The Nastrino wall lamp ensure ideal light whether it is mounted beside the couch or the chair as an efficient reading light or in the office next to the desk. It is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
