

Byok

Nastrino Pico USB Adapter

Oberfläche

- Matt aluminium
- noir mat

Technical details

Pays de fabrication	 Allemagne
fabricant	Byok
concepteur	Kai Byok
protection	IP20
Contenu de la livraison	LED
Projection en cm	35
matériel	aluminium
longueur de câble	300 cm
atténuation	controle gestuel remplacé par des professionnels
LED	
Indice de rendu des couleurs	90
La température de couleur en Kelvin	Dim to warm
Les performances du système	2 x 3,6 Watt
Flux lumineux total en LM	610
répartition de la lumière	directement
Dimensions	H 30 cm

Description

The Byok Nastrino Pico with USB-adapter is a table lamp, characterised by its functionality. High-quality LED technics combined with two dazzle-free light zones create the ideal working light. This is underlined by the well-thought-out joint technics used with the Nastrino Table Stand.

The design is very nice as well because this lamp consists of simple ground aluminium profiles. These different surfaces are offered for the Byok Nastrino USB adapter: aluminium matt and black matt. Byok offers this lamp with a table clamp and a table stand as well. The Nastrino Pico USB Adapter is dimmed with gesture control. During dimming, the light takes on thanks to the Dim2Warm technology a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
