Description

The Catellani & Smith Shadow is a floor lamp, which skilfully plays with light and shadow. Glow stick and lamp stand are made of black lacquered copper whereby the lamp body was painted matt black. The 150 cm high light bar carries the efficient 1 watt LED. This can be ordered in warm white (2700 Kelvin) or neutral white (4200 Kelvin).

The LED shines its light on a suspended grid of thin brass braid. This net is free to shape and ensures interesting shadows.

Like many other lamps by Catellani & Smith the Shadow is counted among the Eco Logic Lights products, this group is made up of LED lights which are considered to be exceptionally energy-saving and environmentally friendly.
