Description

The Ingo Maurer Maru pendant light is a real eye-catcher above the dining table or as general room lighting. The shade of this pendant lamp is made of Japanese paper, which emits a soft and warm light. The light is distributed softly in the room by the intentionally wrinkled paper. This pendant lamp is available in two cable lengths: 200 cm and 450 cm. A height adjustment of the lamp is possible through the red painted iron ring. Lifting the weight lowers the light.
