

Luceplan

Blow

Oberfläche

- Multicolor (bleu, vert, orange)
- transparent
- transparent avec sérigraphie

Technical details

Pays de fabrication	 Italie
fabricant	Luceplan
concepteur	Ferdi Giardini
année	1997
protection	IP20
Contenu de la livraison	Leuchtmittel/Bulb
aptitude de tension	230 - 240 Volt
Diamètre en cm	140
matériel	méthacrylate, polycarbonate
atténuation	dimmerable via la télécommande de réseau en option
base/version	E27
Puissance (max. Watt)	105 Watt
répartition de la lumière	la lumière de chambre
Dimensions	H 40 cm Ø 140 cm

Description

The Luceplan Blow is a lighted ceiling fan. The ceiling fan can also be regulated with an optional remote control in light intensity and speed. It can also be regulated by the customer using a push-dimming system, for which a 5-core mains supply cable is required. There are available different rotors: in transparent, colour mix (blue, orange and green) or in transparent screenprinted. A switch for reversing the movement of rotors is also installed in the ceiling lamp. The design was developed by Ferdi Giardini in 1997.
